

TECHNICAL DATA SHEET

Product name	CHUX®
Product number	84575 & 74602/06
Product code	2301
Style	EFP
Colour	White
Composition	100%fibres
Fibres	45% Polyester, 55% Pulp

Properties	Typical value	Test
Weight	70 g/m ²	TM 7027
Tensile Strength		
MD	27 lbs.(4"x6")	TM 7012
CD	17 lbs.(4"x6")	TM 7012
CD Wet	16 lbs.(4"x6")	TM 7012
Thickness	0,33 mm/1 ply	TM 7015
Sinktime	2,5 s	TM 7023
Absorption Capacity	470%	TM 7023

Specifications

The wipes are in compliance with regulation EC 1935/2004 of the European Parliament for materials intended to come into contact with food materials. Certificat ISEGA nr 31919 U 11.

The specifications of the products supplied are based on the specifications mentioned in this technical data sheet and can vary within a certain scope per specified item.

Product manufactured by PGI in the Netherlands, certified ISO9001 company

01-14/02
