

SONTARA EC[®] GREEN PRODUCT INTRODUCTION

D-Code:D2000895, wipe size 325x420mm, 300 wipes per box

Sontara EC[®] Green is a **General Purpose** cleaning wipe, which is **100% renewably sourced**. Sontara EC[®] Green is a cellulosic based substrate made from proprietary Sontara[®] technology. The **ultra-pure production process** also protects the material from binders, chemicals and silicone. An excellent alternative to non-biodegradable substrates, Sontara EC[®] Green offers exceptional critical cleaning power while being **environmentally responsible**.
